Mini Banker Drawer Trap Deposit

Burglar Protection

The Mini Banker Drawer Trap Deposit is a medium security safe designed to protect your valuable and documents from theft. It allows bags to be deposited through the drawer trap into the safe..

Key Features

High quality construction filled with Chubb'safes proven barrier material provides effective protection. A glass reloading device is incorporated into the boltwork system to provide additional resistance should the locks be dislodged during an attack. Supplied standard with a keyless combination lock, however key lock or digital locks are available as an option. The lock is a protected by a manganese anti drill plate. Note: Model one is not fitted with a glass relocker or drawer.

Manufactures recommended Cash Rating: \$25,000.00

Sizes	Description	Locking
2 to 7	Chubb'safes Mini Banker with Drawer Trap Deposit	Key Lock 3 Wheel LG Basic KCL
